

Prairie Moon Quilts Necktie Social

Rules for the Prairie Moon Quilts Necktie Social Quilt Blocks

- You may request a block packet(s) to use to make a Necktie Social block or blocks by emailing: info@prairiemoonquilts.com with your mailing address and stating the number of blocks you would like to make. We ask that you request no more than 4 packets at once, as necktie donations sometimes trickle in, and we like to have enough to go around to all the volunteers at any given time.
- You may make your block however you wish, in any size from 6" up to 12" square. Normally, given the nature of fabrics found in ties, blocks are made in the Crazy Quilt style, and this is perfectly all right. If you wish to embellish your block, you may do so. However, you may also simply make a traditional block pattern using the necktie fabrics. We can even provide you with a pattern, if you like; just let us know when you order your packet. We expect (and are grateful) to receive all kinds.
- The necktie fabrics in your packet have been cleaned and prepared for use in quilts. You will notice that some of the pieces have had a lightweight fusible interfacing added for stability, since the nature of necktie fabrics is that they are slick and a bit more difficult to work with. We have also included a lightweight muslin foundation for you to use if you need it. Please take good care of your fabrics, and do your best work. We want to be able to use every block we receive back.
- Please try to use as much of the necktie fabrics as possible in your block(s). You may add any additional fabrics of your own that you wish to add, as well as embellishments. We ask that if you have usable leftovers from your packet that you return those with your finished block in case they can be repackaged and used in other blocks.
- If you have any questions about the Necktie Social, please do not hesitate to contact us. Our contact information is shown below.
- We ask that you make your block(s) and return them to us within a 6-week period from the time you receive your packet. This way, work can continue on making the quilts, and we don't have "lost" blocks.
- Return your finished block(s) to Prairie Moon Quilts at the address below. You can see the finished projects on our website, so be sure to check in often and see what they're turning out like.
